

Fork Mounted Sweepers

Fork Mounted Sweeper - This particular attachment makes industrial sweeping jobs a lot easier to accomplish. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water without problems. This particular accessory is often used to be able to clean garbage from warehouses, construction sites, docks, parking lots and nearly wherever it is considered necessary. The forklift sweeper is a low maintenance attachment which utilizes quick-tite fork products to effortlessly attach to the forklift.
