

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to giving top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like providing items which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

When required, the staff members within TREK and its several dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery ready and working daily is top priority. The company's top of the line technology delivers dependable machinery which eventually reduces your cleaning cost. The price, the service and the product all work as one so as to make them an industry leader.
